

## CODES

Easi-Grip® Cultivator - PGT-C

Easi-Grip® Fork - PGT-F

Easi-Grip® Trowel - PGT-T

## DESCRIPTION

These high quality stainless steel garden tools benefit from an ergonomic handle. The design of these tools makes them ideal for use by all gardeners irrespective of age or ability. An optional arm support cuff is available for those with conditions that significantly reduce grip strength.

## HOW TO USE

The illustration demonstrates the benefits of the ergonomic handle.

Traditional in-line tools create wrist strain and after prolonged use can cause calluses on the hands.

## KEY FEATURES

- Stainless steel tool, prevents soil adhesion for easier use and cleaning
- Ergonomic handle keeps hand in natural position, preventing strain
- Non-slip grip, prevents tool slipping in the hand even in wet conditions
- Brightly coloured handle - easy to find in garden or shed
- Extremely light-weight

## RECOMMENDED FOR

	
Weak Grip	Visual Impairment
