

DESCRIPTION

A moulded disk which any standard Easi-Grip® scissors can be slotted into thereby converting from hand-held to table top scissors.

HOW TO USE

Hold the scissors at 90° to the stand so that the blade is pointing in the same direction as the narrow end of the slot. Slide the scissors in until it is firmly gripped in an upright position.

KEY FEATURES

- Easy to use
- Rubber foot prevents sliding thereby increasing stability
- Provides a basic table top scissor at low-cost
