

LONG LOOP SELF-OPENING SCISSORS

CODE

Right Hand with short round ended blade - LPR-1/SO
Left Hand with short round ended blade - LPL-1/SO

DESCRIPTION

	<p>Designed with an extended loop to give increased strength and control over the cutting action.</p> <p>Additionally a spring has been fitted which will automatically reopen the scissors.</p>
---	--

HOW TO USE

Place the index finger outside the loop to provide guidance and control. The middle, ring and little fingers are inserted through the loop to provide the strength for the cutting action. The spring will force the blades back to an open position after the grip has been eased.

KEY FEATURES

- Stainless steel blades with guaranteed secure fixing to handles
- Discreet spring to automatically reopen the scissors
- Extended loop allows strength and control of all fingers to be used
- Comfortable grip given by wide finger contact area
- Colour coded handles easily identify whether for right hand (blue), or for left hand (green)
- Blade guard supplied for safety
- This item has CPSIA certification

RECOMMENDED FOR

	
Weak Grip	Poor Hand Control
