

LONG LOOP SCISSORS

CODE

Right Hand with short round ended blade - LPR-1

Left Hand with short round ended blade - LPL-1

DESCRIPTION

Designed with an extended loop to give increased strength and control over the cutting action.

Assists children with poor motor control, particularly those with Dyspraxia.

HOW TO USE

Place the index finger outside the loop to provide guidance and control. The middle, ring and little fingers are inserted through the loop to provide the strength for the cutting action.

KEY FEATURES

- Stainless steel blades with guaranteed secure fixing to handles
- Extended loop allows strength and control of all fingers to be used
- Comfortable grip given by wide finger contact area
- Colour coded handles easily identify whether for right hand (blue), or for left hand (green)
- This item has CPSIA certification

RECOMMENDED FOR

Weak Grip	Poor Hand Control	Tremor
