

EASI-GRIP® SCISSORS

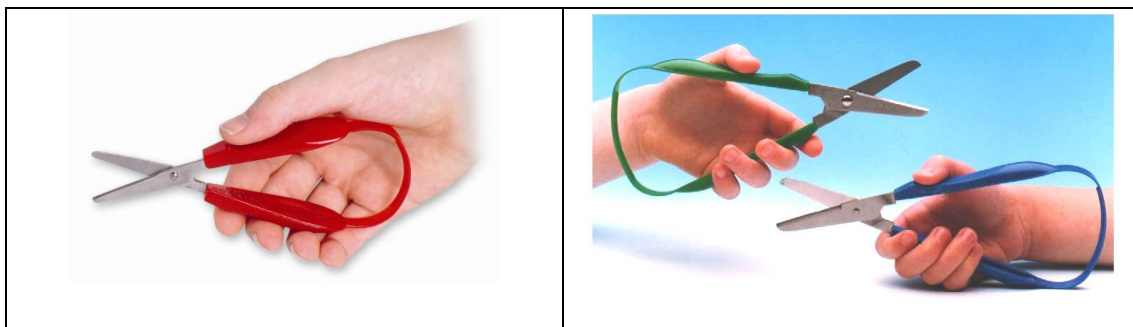

CODES

Mini Easi-Grip® - MEG-1

Right Hand Easi-Grip® with short round ended blade - PEG-1

Left Hand Easi-Grip® with short round ended blade - PEG-1/L

DESCRIPTION

A range of ultra lightweight self-opening scissors. Ideal for use for early scissor skill development, or for special needs due to weak hands or those who are unable to use conventional style scissors.

The Mini Easi-Grip® scissor is 2/3 the size of the standard version and due to the minimal bias during the cutting action can in most cases be used in either the right or left hand.

HOW TO USE

Use either fingers and thumb, or fingers and palm, to gently squeeze the scissors shut. The scissors automatically reopen as soon as the grip is eased.

KEY FEATURES

- High quality handle that will not snap and retains spring action
- Stainless steel blades with guaranteed secure fixing to handle
- Colour coded handles easily identify whether for right hand (blue), or for left hand (green)
- Blade guard supplied for safety
- Ultra lightweight

RECOMMENDED FOR

Weak Grip
