

# PLASTIC BASED TABLE TOP SCISSORS

CODE  
PTT-1/PB

## DESCRIPTION

Designed for use by children with very limited strength and control, or for use one-handed.

The brightly coloured green plastic base provides stability whilst keeping the product lightweight.

## HOW TO USE

Push the paper or card along the base until in position, then depress the "T" shaped handle to cut. The spring will automatically reopen the blades in readiness for the next cut. It is often advantageous to use the more dextrous hand to manipulate the paper whilst the more affected hand works the scissors.

## KEY FEATURES

- Large "T" shaped handle to assist grip and leverage
- Brightly coloured base aids visual differentiation
- Stainless steel blades with guaranteed secure fixing to handles
- Discreet spring to automatically reopen the scissors
- Rubber feet prevent scissors slipping on surface
- Replacement scissor part available by special order (ref. PTT-1/WOB)
- Lightweight

## RECOMMENDED FOR

Weak Grip	Poor Hand Control	Tremor	One Handed

## RELATED PRODUCTS

For greater stability a wooden based version is available, ask for details of PTT-1/WB
